2017 Onsite Wastewater Installers Workshop

UL Lafayette Continuing Education's Louisiana Environmental Training Center (LETC) will present four (4) workshops in 2017 for individual sewage system installers and maintenance providers.

The workshop is specifically designed to clarify wastewater regulations, cover present topics of interest, and practical applications.

The following course is approved under Section 13:023-3 paragraph B of Chapter XIII of the State Sanitary Code for meeting licensing training requirements of Installers and/or Maintenance Providers of Individual Sewage Systems in the state of Louisiana.

Those who successfully complete the course are eligible to apply to OPH for an installer's license.

Instructor: David Booth

Fee: $95

Time: 8:00 a.m. - 12:00 noon

Dates: Section 1: March 24, Lafayette, LA
