

**NATIONAL HEALTHCARE SAFETY NETWORK/EMERGING
INFECTIOUS DISEASES WORKSHOP**

Purpose: This workshop is targeted towards infection preventionists who are seeking to reduce the number of healthcare-associated infections and prepare for emerging infectious disease threats that may present in their facility.

**NATIONAL HEALTHCARE SAFETY NETWORK/EMERGING
INFECTIOUS DISEASES WORKSHOP**

Objective:

Enable infection control professionals to identify and report case numbers accurately; aid in reducing infections.

Review information relating to disease outbreaks and cases.

Recognize deviations from the norm that might indicate an outbreak and describe appropriate actions.

**NATIONAL HEALTHCARE SAFETY NETWORK/EMERGING
INFECTIOUS DISEASES WORKSHOP**

Disclosure Statement:

The speakers, the speakers' spouses, and the planning committee have disclosed no relationship with a commercial interest that would create a conflict of interest with this presentation.

**NATIONAL HEALTHCARE SAFETY NETWORK/EMERGING
